A screenshot of a donation website's "DESIGNATIONS" step. The page header shows "United Way of Greater Cincinnati" and "United Way" logos, a "Menu" dropdown, and the user email "tonya_hurst@trihealth.com". A progress bar at the top has five steps, with the third step, "DESIGNATIONS", highlighted. The main heading asks, "How would you like your gift invested in the community?". Below this, it says "Total designated: \$120.00 left". A note reads: "Select designation preferences below, so total is 100% of your pledge. Adjust total pledge amount on Previous page, if necessary." There are four rows of designations, each with a United Way logo, a progress bar at 0%, and a dollar amount of \$0. A red arrow points to the first row, "United Way of Greater Cincinnati". The right sidebar shows "Your pledge so far: \$120.00 TOTAL GIFT" and "Payment Methods: \$120.00 DIRECT BILL \$10.00 x 12". A red button at the bottom of the sidebar says "CANCEL AND START OVER".
