

Good Samaritan Parking

All Students: Due to the high demand and limited parking, students should plan to arrive early and are encouraged to ride-share or utilize public transportation. Parking permit decals must be affixed to the lower left corner of the car windshield and visible at all times. Parking violators are subject to tow. To meet the needs of our patients, visitors and staff, students must adhere to the following:

- Student parking is prohibited in all garages and off-campus lots between 6am & 3pm Monday through Friday. Please utilize street parking during these times.
- Garage access is available for student parking after 3:00pm on weekdays and all shifts on weekends.
- Students rotating evenings or nights can arrange parking with the Parking Coordinator in Security when they receive their badge.

Good Samaritan Security office is located on the 5th floor near the Clifton Elevators. Protective Services is available to help you as an escort to or from your vehicle, or for vehicle assistance (jump start, keys locked in car, air tank/flat tire), contact us at 513-862-2476.
