

The Basics of Saving, Investing, Credit & Banking

FREE Financial Well-being Webcast

Thursday, January 13, 2022, 12:15-1:15pm

After the holidays, many Americans bear financial concerns that can have long-term effects, including identity theft.

The Team Member Resource Center is here to help. Join us on **January 13**, from 12:15-1:15pm for **The Basics of Saving, Investing, Credit & Banking** webcast hosted by the financial experts at Prudential.

This session provides an overview of the difference between saving and investing. It will also cover the importance of paying yourself first, how interest is calculated, the rule of 72, various types of investments, avoiding credit fraud and more. In addition, we will discuss the advantages and risks of using credit; which banking services to be wary of; and how to choose and maintain a checking account that works for you!

Registration is required. [Click Here to Register](#)* or call the Team Member Resource Center at 513 569 4000 to register. Registrants will receive an email with the link to access the online webcast.
