

Kathryn Gleason

Area of Practice

***Chief Operating Officer of Hospital Operations
Bethesda North Hospital***

Education and Experience

Kathryn earned an ADN from Good Samaritan College of Nursing, a BSN from Ohio University, and an MSN from Mount Saint Joseph University. She is a Board-Certified Emergency Nurse (CEN), and two-time Pillar Award Winner for Service in 2017 and 2021. Prior to her current role, she served as a Nurse Manager with various leadership responsibilities and oversight to include the Emergency Department (ED), Clinical Decision Unit, Trauma Program, and Center for Abuse and Rape Emergency Services (CARES) Program. Kathryn has also served as the Site Manager for our Bethesda Arrow Springs campus, where she led various ED and site operations. Today at TriHealth, Kathryn serves as our Chief Operating Officer for Hospital Operations at Bethesda North Hospital, while also providing senior leader oversight for many of the hospitals clinical support areas.

When did you know you were ready to step into a leadership role?

“Surround yourself with the dreamers and the doers, the believers and thinkers, but most of all, surround yourself with those who see the greatness within you, even when you don't see it yourself.” -Edmund Lee

I've been blessed my entire career at TriHealth to be surrounded by those who have motivated and inspired me to see greatness, hope, and potential for everything we touch as leaders. You know you are ready for leadership when you have a passion and drive to continue investing in everything you touch, in hopes that you've made an impact and left it better. I could not be more excited for the future of our hospital, our organization, and what it means for our patients and community.
