

July 5, 2023

Hi Team –

I hope everyone enjoyed a safe, fun and relaxing Fourth of July holiday filled with lots of time with family and friends! And a BIG THANK YOU, once again, to all of our team members and physicians who stepped up and worked the long holiday weekend to care for every patient in need – and to those who continue to fill in or work extra shifts throughout this week to cover for team members taking much-deserved vacations!

Fourth of July is a big week for summer vacations, so, in the spirit of keeping things light and fun, I want to share just a few of the many ways TriHealth is “showing up” to make this a *summer to remember* for you, the best healthcare team anywhere! And this is all in recognition of – and appreciation for – everything you do, *every day*, to make TriHealth the best it can be for those we serve and those who serve...

TriHealth Team Members Enjoy FREE Taylor Swift Concert in Style!

Last Friday and Saturday, 10 lucky TriHealth team members and their guests joined thousands of “Swifties” at Paycor Stadium for the “hottest” concerts of the summer put on by Taylor Swift...compliments of TriHealth. And with back-to-back three-hour-long shows, it’s safe to say no one went home disappointed! As you may recall, more than 5,000 team members entered our random drawing for a chance to win these tickets at our special May Healthcare Heroes Week Town Hall. While there is still plenty of time, thousands of team members have already enjoyed one of our select TriHealth games – and cheered on one of the many exciting Reds victories along the way. Don’t miss your chance to do the same! To redeem your free pair of Reds tickets, simply go to the **May 5**

email from TriHealth Internal Communications, which contains your unique voucher redemption code. And don’t forget, as part of TriHealth’s investment in this special ticket giveaway, you can purchase additional tickets at a deeply discounted rate, so you can bring the whole family!
