- Shine basketball has been consistent with providing quality programs/ events to our community through Personal Training, Camps, Demos & our Popular Clinics.
- This clinic is for beginner to advanced boys & girls ages 9-12.
- Participants will be grouped accordingly to their skill and/or age level to achieve, learn & gain the most out of the clinic.
- This program uses basketball to help build confidence in youth through repetition (drills), positive reinforcement (contests/prizes) & training (mentorship).
- Spaces are limited & will fill quickly, so get your child involved with this great clinic!
