

## Master of Science in Nursing (MSN) Degree Opportunity with Mount Saint Joseph University

We are excited to announce that TriHealth and Mount Saint Joseph University will be continuing our MSN cohort, to begin fall 2024.

Are you ready to advance your nursing career? Are you interested in Nursing Leadership, or Nursing Education? No matter where your interest lies, this cohort can help!

Qualifying criteria- the following is required to be considered for the cohort:

- Full-time or Part-time TriHealth nurse
- Bachelor of Nursing degree
- Continuous employment with TriHealth for at least one year
- No disciplinary action within the past 12 months (including a verbal warning)
- Complete the TriHealth cohort application process
- Apply and be admitted to the Mount St. Joseph University MSN program

### Save the Dates! MSN Information Sessions:

Additional details and special application instructions for both Mount St. Joseph University and TriHealth will be shared in these scheduled information sessions.
