TriHealth team members and employed physicians received their unique code through their TriHealth email address. Independent physicians received their unique code through the email address that is on file with the Medical Staff Office. TriHealth Volunteers received their unique code to the email address that is on file – those volunteers without an email can work with their volunteer coordinator to receive a code.

Note: All tickets must be ordered through TriHealth's Kings Island ticket site, which will remain open through Sunday, September 7, 2025. Tickets are only valid on Sunday, September 7, 2025, and are non-refundable.

How many tickets can I order?

You can order:

- 2 free tickets
- Up to 4 discounted tickets for \$10 each
- Additional tickets for \$51.50 each (plus tax)

Will I receive a confirmation email with my ticket information?

Is Kings Island Closed to the public on Sunday, September 7?

The Summer Celebration will take place on a day the park is closed to the public. TriHealth has rented out Kings Island for a Semi-Private Day, meaning that the majority of those in attendance will be TriHealth team members, physicians, volunteers, and their guests.

Do I have to provide a guest's name for each ticket?

Once your ticket order has been completed, you will be asked to provide a "Guest Name" for each ticket – this step of the ticket ordering process is to help you stay organized when ordering multiple tickets. Please provide either the name of the person using the ticket, or something generic like "Guest 1, Guest 2, etc." when prompted to name the ticket. The name on the ticket will not be checked upon entry to Kings Island.

What if I have technical issues trying to order my tickets?

If you are experiencing technical issues, try your ticket order on a device that is not connected to the TriHealth network, like a smart phone or personal laptop. Remaining on the site for too long without placing an order may cause your purchase to time out. Try revisiting TriHealth's Kings Island ticket site and placing an order again, using the code above.

If you continue to experience technical issues with TriHealth's Kings Island ticket site, please call **Kings Island Guest Services** at **513 754 5700** extension **3** or email ki.kigroupevents@sixflags.com.
