

Hi Team —

*I hope you had a fun and relaxing Labor Day weekend and enjoyed the picture-perfect weather. A **big thank you** to our team members and physicians who worked throughout the long holiday weekend to continue serving our patients across the region!*

### Welcome TriHealth Clinton Regional Hospital!

- In June, we shared the exciting news of TriHealth's plans to acquire Clinton Memorial Hospital in Wilmington, OH. And over the weekend, we completed the acquisition process.
- So, I'm thrilled to officially welcome the **new TriHealth Clinton Regional Hospital (TCRH) to TriHealth as our system's sixth hospital!**
- This is another significant milestone in our decade-long vision and strategy to:
  - **Improve the health of our ever-growing patient population** through our fully integrated network of hospitals, ambulatory campuses, service lines, and physician practices.
  - **Strengthen our position as the region's most trusted healthcare provider.**
  - **Ensure convenient access to TriHealth's unique, best-in-class population health-based care** for patients across Southwest Ohio and surrounding areas.
- Over the next 18 months, we will **fully integrate TCRH into TriHealth by extending our infrastructure and support services**, including Information Systems (IS), Revenue Cycle, Supply Chain, and others.
- During this time, the TCRH team, now supported by TriHealth physicians and leaders, will **continue to provide uninterrupted care for our patients in Clinton County and surrounding communities, but now as part of TriHealth.**
- In the coming weeks, we will also be **intentional about onboarding every TCRH team member and physician into our unique, patient-centered TriHealth Way culture.** This is important because, as we know, this is what distinguishes TriHealth as a regional and national leader in providing "*surprisingly human care that delivers exceptional outcomes, always!*"
- Additionally, we have launched planning with TCRH physicians and leaders to **expand TriHealth clinical services and specialties into the Clinton County region.**
- Stay tuned for more details and news as we continue to work together to bring our unique, high-quality TriHealth care and service to Clinton County!

### TriHealth Summer Celebration at Kings Island: See You This Sunday!

- While Labor Day typically marks the end of summer, the fun at TriHealth continues this weekend.
- On Sunday, **more than 20,000 TriHealth team members, physicians, and their loved ones** will enjoy a day of thrilling rides, delicious food and drinks, and lots of fun at our Annual Summer Celebration at Kings Island!

Clinton Regional Hospital

- **If you haven't yet ordered your tickets, there's still time!** Use the unique gift code emailed to you from Totally Appreciated on August 5 to order yours today. Visit [Bridge](#) for all the details!
- And don't forget – as a more permanent commemoration of our 10-year milestone on our journey to transform healthcare for the better – we are offering every team member, physician, and volunteer a **special TriHealth quarter zip jacket, compliments of TriHealth!** Click [here](#) to place your order by this Friday, September 5, and visit [Bridge](#) for more information.

## PACE of Cincinnati Opens Doors to Southwest Ohio

- Getting Healthcare Right means providing accessible, affordable, and high-quality care to every member of our community.
- And, with a growing number of aging, Medicare and Medicaid-eligible patients with multiple, complex conditions in our community, it is critical we deliver on this promise by responding to the special needs of this patient population.
- So, I was excited to join Ohio State Representatives, **Jean Schmidt** and **Cecil Thomas**, Norwood Mayor **Victor Schneider**, **Suzanne Burke**, President of the Council on Aging, and our **TriHealth and Hospice of Cincinnati team members and leaders** last week for the **grand opening ceremony for PACE of Cincinnati, TriHealth's newest service and site of care.** Click [here](#) for photos of the event.

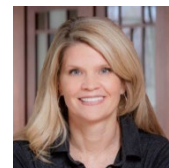

- PACE (Program of All-Inclusive Care for the Elderly) of Cincinnati was formed through a **partnership between the Greater Cincinnati Council on Aging and TriHealth.**
- It is an innovative program that **cares for older adults with complex medical and social conditions who wish to remain as independent as possible at home**, rather than move into a long-term care facility. Interdisciplinary care teams work within a comprehensive and highly coordinated network to provide care and support to these individuals in their homes, living in the community.
- Last year, **TriHealth was chosen as the exclusive provider of PACE services for Southwest Ohio.** This was in large part because of our comprehensive and highly integrated network of hospitals, ambulatory centers, service lines, and primary care and specialty physicians, along with our industry-leading work and progress to Get Healthcare Right.
- A **BIG thank you to our entire PACE team** for their exceptional care and service that is allowing us to bring better care, better health, and better value to a growing elderly population in need.

## TriHealth Elects New Board Chair and Vice Chair, Adds New Trustee

- TriHealth is fortunate to have a talented and highly engaged Board of Trustees whose extensive business, leadership, and community service experience help us advance our mission and vision to Get Healthcare Right.
- **And all of our Trustees are volunteers** who give selflessly of their time and talents to support TriHealth and the community we serve!

- So, I'm pleased to share the latest, exciting updates to our Board of Trustees:
  - **Ralph (Mike) Michael** has been elected to **serve as Chair of the Board**. Mike previously served as Vice Chair. He replaces Kathy Kelly, who has served as Chair of the Board since 2022. She will remain on the Board as a trustee. Mike also serves as Chairman of the Cincinnati Region of Fifth Third Bank (Greater Cincinnati).
  - **Cynthia Booth**, President and CEO of Emerge Manufacturing, has been **elected as Vice Chair of the Board**. Cynthia has served on the TriHealth Board since 2020.
  - And **Elizabeth Mangan**, CEO of Miller-Valentine, will **join the TriHealth Board of Trustees**. Elizabeth replaces Phil Castellini, CEO of the Cincinnati Reds, who served on the TriHealth Board since 2016 and just rotated off due to term limits.
- Please join me in thanking Mike and Cynthia for taking on these important board leadership roles and in welcoming Elizabeth to her new role as a TriHealth Trustee!

### Win Tickets to the September 14 Bengals Game

- Football season is here, and with it comes **more fun raffles to win suite tickets to home games, compliments of TriHealth!**
- Our first raffle “kicks off” today with your chance to win suite tickets to the **Bengals’ home opener on Sunday, September 14, vs. the Jacksonville Jaguars**. Click [here](#) to enter.
- In my next Weekly Update, I'll announce the names of eight **lucky team members who will each win a pair of suite tickets** to cheer on the Bengals!

*It's a great time of year as we celebrate the end of another wonderful summer in Cincinnati, and usher in the start of so many fun fall festivities just ahead! **THANK YOU** for all you do to help TriHealth BE our BEST and DO our BEST for all those we serve – and those we serve beside! I can't wait to see you on Sunday to thank you in person and have some fun!*
